How the characteristics of a Mediterranean place can inspire contemporary architectural creation in both architectural design level, and in design of public space? Our intensive workshop will use as vehicle architectural design themes focusing on innovative and experimental approaches to local cultural heritage and social problems and will inspect how new technologies and environmental issues can serve creatively the above themes.

Students from School of Architecture, National Technical University of Athens, will submit their documents (degree transcript, English language certificate, cv) by Monday 12 June 2017 by e-mail at elconstantinidou@gmail.com, dnikolaou@arch.ntua.gr, titled: For ARCHIMEDES project participation.
