## Organizer

## CONTEMPORARY ARCHITECTURE & NATURAL MATERIALS

applications in the world

"Piliko" group - a non-profit organization, in collaboration with the Technical University of Crete - School of Architecture and the Centre for Mediterranean Architecture (Κ.Ε.Π.Π.Ε.ΔΗ.Χ. – KAM) are organizing the **3<sup>rd</sup> two-day Conference and Architectural Exhibition** on "**Contemporary Architecture & Natural Materials, applications in the world**".

## Co-organizers

The two-day lectures focus on international architecture with natural materials (clay, straw, reed, hemp, wood, etc.), looking at it from its technical and aesthetic aspect.

The lectures will cover the following topics:

- **Form:** Contemporary forms of expression of Architecture with natural materials.
- **Cities:** Prospects of building with natural materials within the urban context.
- **DIY:** Methods of building with the participation of the actual users of the structures.
- **Locality:** Forms of expression with natural materials (materials, techniques, aesthetics) in relation to the climate and cultural particularities of a place.
- **Restoration:** Methods and techniques of intervention in traditional and historic clay buildings.

The **Conference** will be held on **Saturday the 19<sup>th</sup> of May** and **Sunday the 20<sup>th</sup> of May** in Hall A on the 1<sup>st</sup> floor of the CAM with hours:

10:00 - 14:00 & 16:00 - 20:00
